Teaching Assistant: Andrea Juarez, andjuarez@ucdavis.edu (Last name: A-E)

Teaching Assistant: Gustav Oppermann, gidoppermann@ucdavis.edu (Last name: F-L)

Teaching Assistant: Isaac Rubinstein, irubinstein@ucdavis.edu (Last name: M-R)

Teaching Assistant: Jing Liu, TBD, (Last name: S-Z)

COURSE DESCRIPTION

HDE 100A — Infancy & Early Childhood (4 units) Course Description: Biological, social, and cultural influences in the psychological growth and development of children, prenatal through age six. Two observations of preschool children required. Prerequisite(s): (PSC 001 or PSC 001Y); (BIS 002A or BIS 010 or BIS 001A or BIS 010V) or MCB 010 or NPB 010 or NPB 012 or MIC 010. Learning Activities: Lecture 4 hour(s). Enrollment Restriction(s): Pass One restricted to Human Development majors. Grade Mode: Letter.

COURSE OBJECTIVES

1. Describe expected developmental processes in the first 6 years of life within biosocial, psychosocial, and cognitive domains.
2. Describe the theories of development and developmental processes.
3. Identify how sociocultural factors influence development.
4. Identify how your understandings of development will inform your personal and/or professional experiences in the future.

Note: This syllabus is subject to change at the discretion of the instructor.

COURSE FORMAT

This course will require engagement in class material prior to each scheduled meeting. For example, course readings, lectures, and quizzes will be completed prior to the scheduled meeting. In-class time will be used for reflection, discussions, and application-based activities.

REQUIRED READING MATERIALS

Berger, K. S. (2021). *Developing person through childhood and adolescence* (12th ed.). Worth Publishers. ISBN- 978-1319191740

Additional course readings and materials will be posted and available in Canvas.

COURSE REQUIREMENTS

1. **Chapter Reading Quizzes (20 points):** Each week you will complete a quiz that assess understand of readings and lecture.
2. **Chapter Discussion Question Posts (5 points):** Each week you will post a question or thought you have about that week's topic.
3. **Article Annotation (25 points):** You will read and annotate research articles through Perusall on Canvas.
4. **Application Activities (20 points):** Attendance and participation will be captured through in-class activities. You must arrive on time and stay through the entire class meeting to receive credit. There are no make-ups for these activities. Two class meeting can be missed without point deduction. However, please note that, if you miss 3 or more class meetings, your final grade will be lowered. You must arrive on time and stay through the entire class meeting to receive credit. Please communicate attendance issues *only* if you will be missing your third-class session.
5. **Learning Reflections (25 points):** At the end of each module, you will have an opportunity to reflect on your own learning through a short paper that summarizes and applies what you have learned.
6. **Observation Paper (225 points):** You will create a paper which will focus on describing how different theorists explain a child's development at a particular age. You will conduct two observation of children's social interactions (either child – child or child – caregiver), write field notes on those observations, and write a paper. This paper will include three separate assignments: field notes (50 points), draft and peer review (75 points), and the final paper (100 points). Detailed instructions can be found in Canvas.

Note: This syllabus is subject to change at the discretion of the instructor.

COURSE EVALUATION

Assignment	Maximum Points
Chapter Reading Quizzes	200
Chapter Discussion	50
Article Annotation	250
Application Activities	200
Learning Reflections	75
Observation Paper	225
Total Points Possible	1000

Letter Grade	Points	Percentage
A+	970-1000	97-100%
A	930-960	93-96%
A-	900-920	90-92%
B+	870-890	87-89%
B	830-860	83-86%
B-	800-820	80-82%
C+	770-790	77-79%
C	730-760	73-76%
C-	700-720	70-72%
D	600-690	60-69%
F	0-599	<60%

Note: This syllabus is subject to change at the discretion of the instructor.

COURSE PROCEDURES AND EXPECTATIONS

Communication Procedures. Announcements, grades, assignment documents, and supporting materials will be posted in Canvas. It is your responsibility to check Canvas regularly and to hold on to your assignments in case of any clerical errors. Please use the Piazza discussion board to pose and respond to course-related logistic and assignment questions. Should you have other questions, please email the teaching team through Canvas messaging for course correspondence. Before sending a message, review the syllabus, class announcements, Piazza, and relevant Canvas resources to make sure your question isn't answered in those resources already.

Student Conduct. It is expected that all students exhibit respect and integrity in their work. This includes demonstrating mutual respect and cooperation with your peers and the teaching staff. The UC Davis Principles of Community can be found here: <https://diversity.ucdavis.edu/principles-community>. Additionally, it is expected that all students act with academic integrity. Evidence of cheating, plagiarism, or misuse of instructor's materials will be reported to judicial affairs. The academic code of conduct can be found here: <https://ossja.ucdavis.edu/code-academic-conduct>.

Late Work Policy. Assignments will have a due date and time in Canvas. Assignments must be completed by the due date to receive full credit unless prior arrangements are made with the instructor. Exams and participation points cannot be made up. For credit, all assignments must be turned in as a PDF or Word document. Make up work and extra credit is not given.

Reasonable Accommodation Policy. The Student Disability Center (SDC) offers support services and accommodations to students to ensure students with disabilities equal access and opportunity to pursue their educational goals. If you have a documented disability and verification from SDC, and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to SDC and meet with a counselor to request special accommodation before classes start.
