

4.2 Mixed-use Plaza in Vacaville: Green Roof Diagram UC Davis LDA

Ownership Diagram

Only backyards on the second story are proposed as the private area. The rest space will be proposed as semi-private area. The semi-private area will open for all residential.

The first story of the green roof is forbidden to enter. But the second and third stories are open. Seven Gates are proposed for residents to enter and exit. Three doors are for private only.
